

WHERE IS LITTLEMORE?

Littlemore is increasingly solidly built up, but different areas remain quite separate, cut off from each other by busy roads, by the railway, and by The Oxford Academy campus which we are unable to cross on foot.

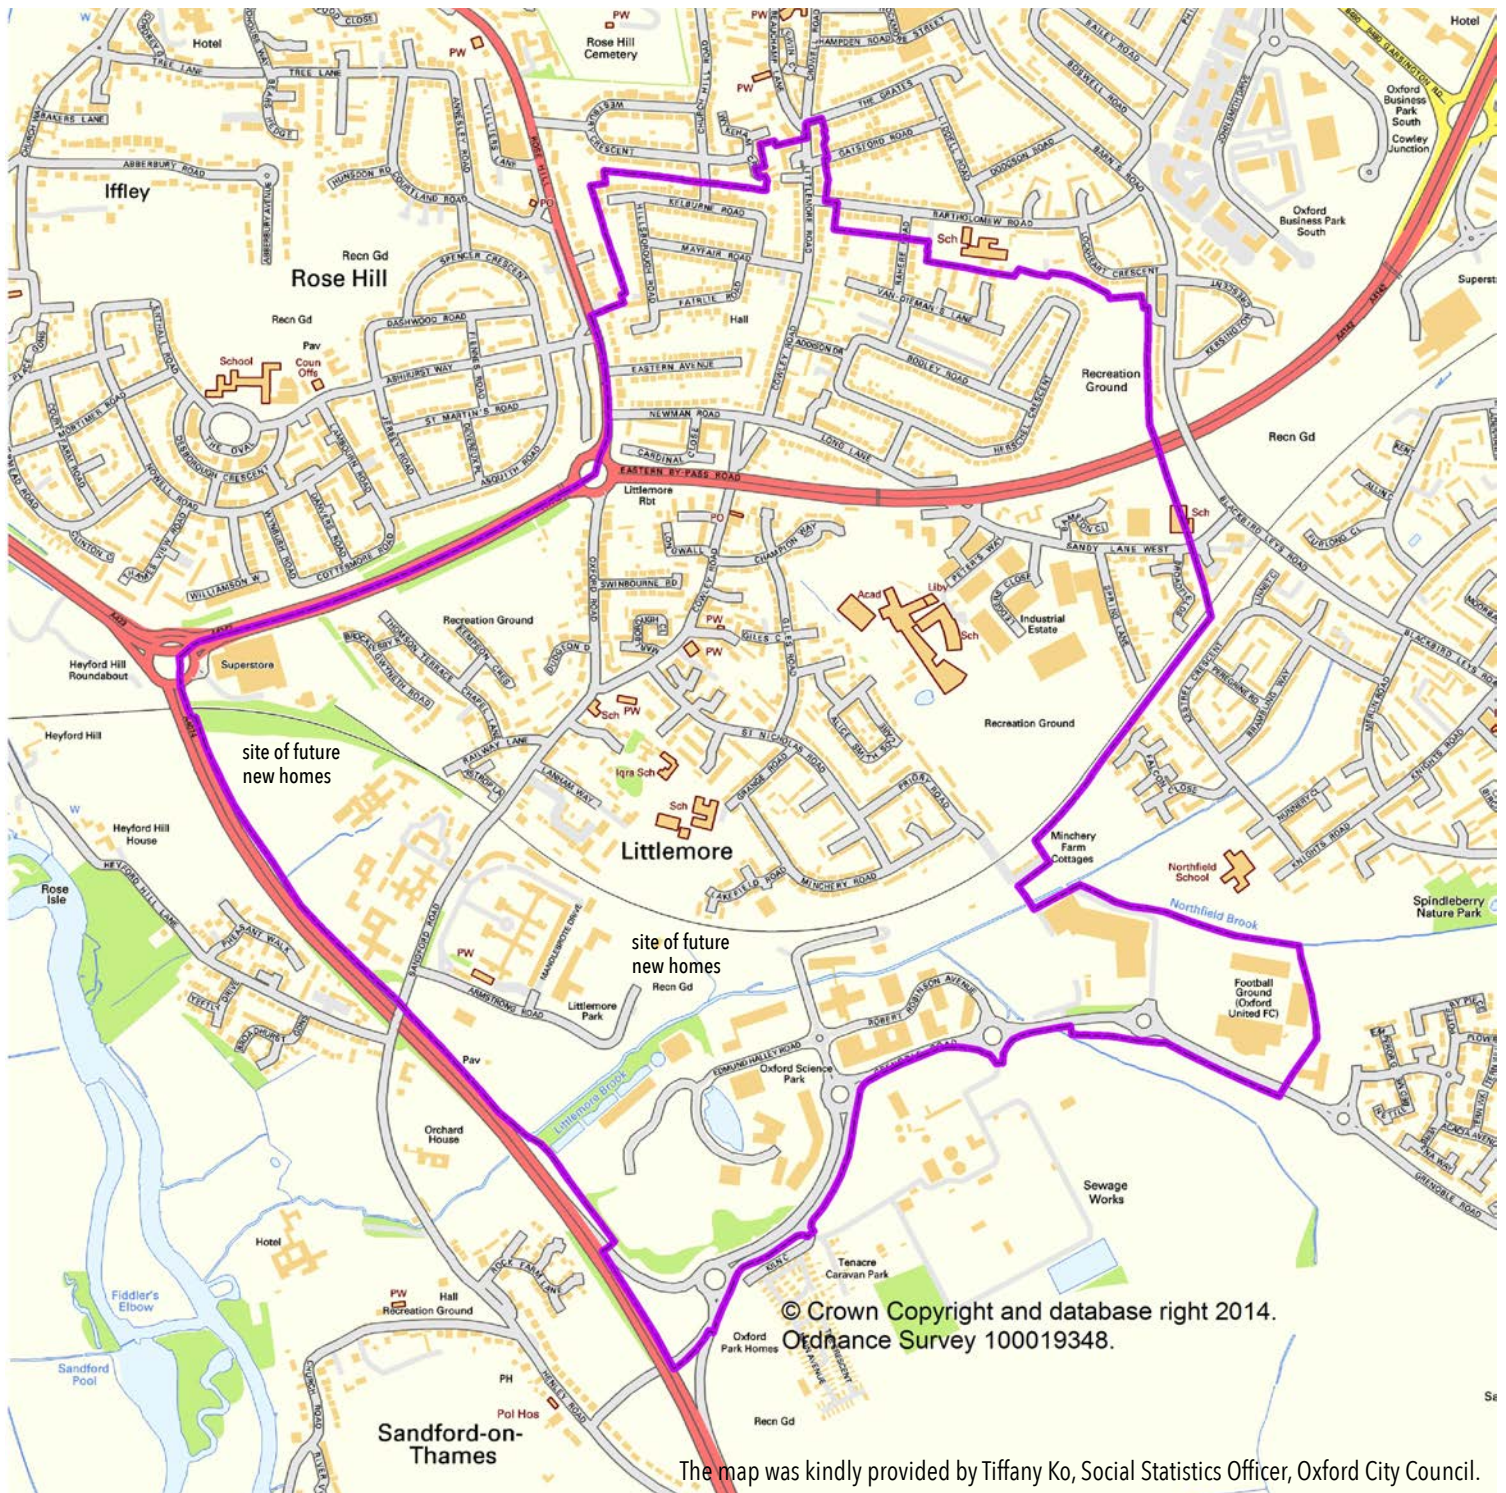

MAP OF LITTLEMORE

The map shows, **in purple**, the boundaries of Littlemore: to the south is Sandford on Thames Parish; to the west is Rose Hill and Iffley Ward; to the east is Northfield Brook Ward; and to the north is Cowley Ward.

LITTLEMORE LOCAL: DELIVERY

The Parish Council prints enough copies of LL for it to be delivered to every home: we rely on voluntary deliverers who do a road or so each. Below is a list of our roads (not all are residential).

- *If you'd like to deliver even to few a houses;*
- *if you would like to report that you do not get a delivery;*
- *or if you have any ideas about how we might improve delivery, please contact the Parish Council.*

The map was kindly provided by Tiffany Ko, Social Statistics Officer, Oxford City Council.
